RE: FY 21 Rebuilding American Infrastructure with Sustainability
and Equity (RAISE) Grant

Dear Secretary Buttigieg:

Please accept this letter as my formal support for the Global Transportation and Industrial Park (GTIP) in Ardmore, Oklahoma to be located within the Ardmore Municipal Airport. Furthermore, our business and industry partners enjoy a confident, productive relationship with the Ardmore Development Authority.

Our community appreciates funding assistance toward developing the necessary infrastructure to transform the Ardmore Industrial Airpark into a global transportation and logistics asset. Our recent economic impact analysis and corresponding feasibility studies estimate up to 18,000 new jobs and the potential for a \$3.8 billion impact for rural communities in an economically distressed part of our state. This will have unparalleled benefit to families and employers, such as ours, both directly and indirectly.

On behalf of BancFirst and its branches throughout Southern Oklahoma, I respectfully request your strong consideration to the Ardmore Development Authority's request for funding support for the realization of the GTIP at the Ardmore Municipal (Industrial) Airpark. Thank you in advance for your partnership.

Sincerely,

C. Blake Hollingsworth, Ardmore President
